

Statements of Support

"The organization needs to take bold steps to reinvent itself."

Meredith Sommers, Co-Founder

"We're glad to read about your desire to strengthen the organization through a possible merger."

Don Irish and Daughter Terry Irish

"The Resource Center of the Americas has a proud, decades-long legacy. I believe that legacy would be well-served by a strategic linkage to the right partner, producing an alliance that could be very beneficial to both organizations."

Jeff Martinka

"What you're doing should be saluted. You're rational and focused."

Charlie Rounds

"The rationale is sound and the vision of new possibilities is exciting. Thank you for your focused strategic leadership of an organization that has been dear to my heart."
